

BRUSSELS TALKS

***Powered by NCBR – Business & Science Poland**

Monday, 28 June 2021, 10.00-11.00

In the framework of new initiative of NCBR Office in Brussels and BSP we cordially invite you to join our monthly meeting with an outstanding guest from the Brussels R&D&I community.

Our first speaker will be:

Mr Bart Biebuyck

**Executive Director of
*Fuel Cells and Hydrogen Joint Undertaking***

**Hosted by Ewa Kocińska-Lange, Director, NCBR Office in Brussels
and Bartek Czyczerski, Managing Director, Business & Science Poland**

**Hydrogen is expected to play a key role in a future economy as a clean, zero-emission fuel and energy carrier. If produced with renewable energy it has almost everything to become a prevailing solution in energy sector. Clean Hydrogen Partnership under Horizon Europe shall explore this technology even further. What are possible scenarios? Where are the barriers?
If you want to know, join us!**

Agenda includes guest's presentation and Q&A session.
